VARIANCE / APPEAL APPLICATION AND RECORD

Reference: Permit #_____

A *variance* is a grant of relief given by the City of Crestline from the terms of specific standards required in its floodplain regulations. The issuance of a variance is for floodplain management purposes only. Insurance premium rates are determined by the Federal government according to actuarial risk and will not be modified by the granting of a variance. ANY VARIANCE GRANTED BY A COMMUNITY MUST BE CONSISTENT WITH THE NFIP GUIDELINES AND WITH LOCAL LAW.

1. Specify the section of the floodplain regulations from which a variance is sought:_____

_____

2. Explain how proposed development would vary from the provisions of the floodplain regulations:
_____

_____

3. Explain the hardship imposed if a strict application of the floodplain regulations is enforced:
_____

_____

NOTE: *Applicant may attach any additional supporting documents and data he/she feels necessary to help explain this project and variance request.*

AN APPLICANT RECEIVING A VARIANCE TO BUILD A STRUCTURE WITH THE LOWEST FLOOR ELEVATION BELOW THE BASE FLOOD ELEVATION (100-YEAR) IS HEREBY NOTIFIED THAT THE REDUCED FLOOR ELEVATION WILL RESULT IN INCREASED PREMIUM RATES FOR FLOOD INSURANCE UP TO AMOUNTS AS HIGH AS $25 PER $100 OF INSURANCE COVERAGE. CONSTRUCTION BELOW THE BASE FLOOD LEVEL INCREASES RISKS TO LIFE AND PROPERTY.

AS PROVIDED IN CHAPTER 2506 OF THE OHIO REVISED CODE, THOSE AGGRIEVED BY THE DECISION OF THE APPEALS BOARD MAY APPEAL SUCH DECISIONS TO THE COUNTY COURT OF COMMON PLEAS.
