**WHO MUST FILE:** Crestline has a mandatory filing ordinance - any resident over the age of 18 is required to file a tax return, regardless of whether they have taxable income. If a person is retired or permanently disabled with no income other than pension or disability (no rentals, part-time job, etc.) mark the box in the upper right hand corner of the tax form, sign, date and return the form. **NO JOINT RETURNS ALLOWED.** All resident businesses must file a return on net profits attributed to Crestline.

Non-resident individuals who have derived income within the Municipality, including rental properties, not otherwise subject to Crestline withholding tax must file a return.

Non-resident businesses must file a return on the net profits attributable to Crestline.

**EXTENSIONS:** Extensions are not granted on an automatic basis. You must have a Federal Extension on file, with a copy submitted to Crestline Income Tax Dept. by the filing deadline of April 15. **This is only for FILING—payments are still due by April 15.**
