Please furnish Lay-Out plan showing lot size, adjacent street lines, location of buildings on lot and proposed location of fence:

Requirements:

- A) A permit for installation of a fence must first be obtained from the Village of Crestline.
- B) No fence or similar screening device in excess of 6 feet in height.
- C) No fence or similar screening device in excess of 4 feet in height in front yard
- D) Front yard requirements shall be constructed with openings which constitute not less than 80% of total fence surface in any square section to be determined by height and width.
- E) No fence or similar screening device shall be constructed without the fence side facing out.
- F) No fence or similar screening device is permitted if constructed of injurious material, (example barb wire)
- G) All fences must be set back a minimum of 2 feet from any property line.
- H). Is area located within the designated flood plain area. If so, initiate a Flood Hazard Development Permit Application.
